We are excited to announce our speaker Sophia Barrett for Breathe 19: Tell Your Story. Sophia is Senior Pastor of !Audacious Church in Manchester, with her husband of 20 years Glyn. Under their leadership the church has grown to 3500 members across two locations.

Sophia has an incredible life story which will encourage, inspire and bring release to all who hear it.

Joining Sophia, for all our Breathe Girls is Hannah Adkins, who has been a key member of the team at !Audacious Church since it started in 2007.

Having spent years in youth ministry, Hannah will offer an unforgettable experience for our Breathe Girls, impacting them to live out their story with confidence and poise.

Breathe 2019 will feature all the things you have come to know and love, with sessions with Angie Campbell, to fun treats and 'She Leads Seminars' happening throughout the weekend.

Breathe 2019 is not the same without you, so make sure you sign up, and we'll see you there.
